

REMARKS

The foregoing amendments and these remarks are supplemental to the response to the Office Action filed January 3, 2008. The amendments presented herein are to rectify some inconsistencies in the prior amendment between the use of the term "extension means" and "extender or superstructure".

Applicant has made every effort to present claims which distinguish over the prior art, and it is thus believed that all claims are in condition for allowance. Nevertheless, Applicant invites the Examiner to call the undersigned if it is believed that a telephonic interview would expedite the prosecution of the application to an allowance. In view of the foregoing remarks, Applicant respectfully requests reconsideration and prompt allowance of the pending claims.
